

Items for the Daily Log - 12 August 1952

1. Discussed with the DCI steps to be taken in connection with the Senate Foreign Relations Committee Hearings on the Benton Resolution, S. 74. The Director plans to call Senator Fulbright upon the latter's return in September to acquaint him with problems of the covert activities in the field of his investigation. Will also call Senator Hickenlooper.

STATINTL

2. In connection with my memorandum to the Director of 12 August of the subject [] the Director wishes to take no action at present but to have all necessary material available as to our knowledge of this case in case we get further inquiries.

3. The DCI has instructed me to prepare legislation which will establish a salary for the DCI at \$20,00, the D/DCI at \$18,000, and the three Deputy Directors at \$16,000. I have informed him that no congressional action can take place prior to the meeting of the 83rd Congress but that we will draft the necessary legislation for submission to the Bureau of the Budget in the late fall.
